The Better Readers

Today we visited Mrs. Flowers during our “Reading Tornado Time.” She said, “The purpose of this teaching lesson is to give them extra reading practice.” First, we asked Kadyan, “What are you learning?” She said, “We are learning about a book, called Walt Disney.” Then, we asked Peyton, “Why is this important to learn about?” She said, “So you can learn more about people or a certain person.” Then, we asked Malakai, “Do you like this, and why?” He said, “I like it because it is fun to read.” We went to Mrs. Flowers and asked her if she wanted to add any comments. She said, “The more you the read, the better reader you will become.”
