Silly Subtraction  2M 1-28-19

Mrs. Moss’s class was working on subtraction. The purpose of the lesson was to work on your subtraction skills. First, we asked Baylea “What are you learning and she said, “The class was learning subtraction.” Next, we asked Maggie “Why is it important to learn about subtraction? She said, “It’s important so you can be ready for next year.” Then, we asked Lillian, “Do you like learning subtraction And why?” she said, “I like learning subtraction because, it makes your brain stronger and makes you smarter. After that, we asked the teacher if she had any comments and she said, “That she had no comments.
